September 10th Smoke-Free Movies TIFF Event

The Ontario Coalition for Smoke-Free Movies partnered with youth throughout the province to create an event centered on the Toronto International Film Festival (TIFF) and smoke-free movies. YATI supported and was an active participant in the event. The event took place on September 10th at City Hall in Toronto, ON. YATI volunteers supported in the facilitation and coordination of the event. Volunteers also hit the streets to educate the public on the issue of smoking in youth rated movies.

LGBTQ+ Exploraforium

On July 14th & 15th, YATI partnered with Rainbow Health Ontario, Toronto Public Health, Program Training and Consultation Centre and Leave the Pack Behind to host a two day LGBTQ+ Exploraforium on Tobacco-Use.

Participants took part in a two day event that included a YATI training on Tobacco Industry Denormalization with a LGBTQ+ lens, a keynote presentation by Jordan Samuels and a focus group to look at a variety of LGBTQ+ targeted interventions from throughout North America.

Tobacco News:

Ottawa Bans Hookah in all Workplaces

Council voted Wednesday to add water pipes to the existing smoking prohibitions. That means they won't be allowed in any enclosed public place, enclosed workplaces and outdoor patios.
